Dear Stuart and Brian,

Re: England Squash Masters Nationals 2022 - Nottingham Squash Rackets Club

I trust this finds you both well.

First, may I thank you on behalf of the club for considering again, and hopefully returning to, NSRC for next year's Masters Nationals which we greatly look forward to hosting.

Nick has informed us that his conversations with you have been most positive, and I know management and the club will do all they can to make the tournament a great success.

Following our recent AGM a new committee has been elected and we had our first meeting last night.

On the agenda was the item that over the last season the club had reason to expel a member, Andrew Hood, which remains the situation.

As a result Mr Hood remains permanently excluded from the club, its premises and any of its facilities.

It was agreed by the committee that I should contact you as soon as possible because we think there is a chance Mr Hood may enter the above event; and I am to inform you that he would not be permitted to come on to our premises in any manner, due to his expulsion.

May I ask you to keep the content of this email as confidential as possible please as it remains, understandably, a sensitive matter.

Thank you both for your understanding and I hope the Masters Open currently on at Collets is a great success, as always.

Best regards,

Gawain Briars
Chairman, and
Acting Honorary Secretary
